This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MAMA SAID: A WORD TO THE WISE IS SUFFICIENT

Xulon Press. Paperback. Book Condition: New. Paperback. 114 pages. Dimensions: 7.8in. x 4.9in. x 0.4in. Have you ever been faced with day-to-day challenges and situations in life and didn't know what to do? *Mama Said: A Word for the Wise is Sufficient* is your key!! It is a whimsical, yet wisdom-filled approach through a collection of my mother's favorite proverbial sayings, parables, quotes and expressions for successful everyday living. Everything you always wanted to know to effectively navigate life is collected between two covers. It deals with takers and other issues such as relationships, friendship, trust, morals, finances, time management, procrastination, honesty, and humbleness, just to name a few. Each saying is followed by an interpretation of its meaning based on the context in which it was said. It is written for readers of all ages. Just as the parables spoken by Jesus teach moral concepts, the sayings in this book teach lessons for daily living and about life. They should be used in our everyday life and taught to our children, grandchildren, nieces, nephews, and on through the generations. *Mama Said* is the voice of wisdom from my mother, who spoke these parables daily and many times throughout the day to empower us with wisdom or teach a lesson to her children and those around her. The words are as meaningful today as they were in past years. The book is a must-read and keepsake! Some of the sayings are serious and some are funny. Nevertheless, there is much wisdom in them all. Strive to commit the sayings to memory, so that you can use and apply them to the appropriate situation. Etch them in your mind and apply them to your everyday life. It is our hope that they will help you live a life filled with both...
