Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What gives poetry its effect? Perhaps it is its foreignness to day to day living --- something apart from the travail of reality. Perhaps it is that poetry springs as much from the heart as from the mind. Whatever the reason, in poetry certain aspects of life and living gain a clarity and meaning not found in prose writing. In his work the Apology Plato attributes to Socrates the statement that . .the unexamined life is not worth living. This small book of poetry tries to examine some of those aspects of life that makes it worth living.
