Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: French . Brand New Book ***** Print on Demand *****.Before beginning our story, we must warn the reader that it will not be worth his while to make researches among contemporary or other records as to the personage whose name it bears. For in truth neither Marie Leroux, widow of Jacques Constantin, nor her accomplice, Claude Perregaud, was of sufficient importance to find a place on any list of great criminals, although it is certain that they were guilty of the crimes with which they were charged. It may seem strange that what follows is more a history of the retribution which overtook the criminals than a circumstantial description of the deeds for which they were punished; but the crimes were so revolting, and so unsuitable for discussion, that it was impossible for us to enter into any details on the subject, so that what we offer in these pages is, we confess quite openly, not a full, true, and particular account of a certain series of events leading up to a certain result; it is not even a picture wherein that result is depicted with artistic completeness, it is only an imperfect narrative imperfectly rounded off. We feel sure, however, that the healthy-minded reader will be grateful for our reticence and total disregard of proportion. In spite of the disadvantage which such a theme imposes on any writer with a deep sense of responsibility, we have resolved to let in some light on these obscure figures; for we can imagine no more effective way of throwing into high relief the low morals and deep corruption into which all classes of society had sunk at the termination of the factious dissensions of the Fronde, which formed such...
