The Films of Peter Weir

By Jonathan Rayner

Bloomsbury Publishing PLC, United Kingdom, 2003. Paperback. Book Condition: New. 2nd Revised edition. 208 x 139 mm. Language: English . Brand New Book ***** Print on Demand *****.Peter Weir is one of the most important Australian film directors. His films have had a major impact, both in terms of the Australian film industry (Picnic at Hanging Rock , The Cars That Ate Paris , and Gallipoli) and as the work of an innovative auteur working within the confines of the Hollywood system (Witness , Dead Poets Society , Fearless , and The Truman Show). This fully revised and updated edition of Jonathan Rayner s study takes an in-depth look at the career of a filmmaker who has, over the course of 30 years, put together a substantial and much-loved body of work. Rayner illustrates how Peter Weir brings a consistent vision to his films, no matter how disparate their subject matter - and how he uses his outsider status in the American film industry to his advantage.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
