By Michael A. Martin

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, The Typhon Pact: Seize the Fire: Star Trek, Michael A. Martin, Shortly after making the stunning revelation that it has joined with Federation's newest adversary, the Typhon Pact, the Gorn Hegemony suffers an ecological disaster that destroys the hatchery world that nurtures their civilisation's warrior caste. The rest of Gorn society quickly tries to find a replacement warrior hatchery world. The Gorn had already been investigating traces of an ancient but powerful "quick terraforming" technology left behind by a long-vanished race that may have been responsible for habitability of many of the worlds on the Gorn frontier. Such a technology promises to restore the Gorn civilization's status quo, but if certain Gorn factions gain control of the technology it will upset the balance of power within the Gorn Hegemony and the Typhon Pact. Two galactic quadrants will be in danger - and the civilization on the planet Hranrar will become extinct. The U.S.S. Titan begins pursuing this potent technology as well, in the hopes of using it to heal the wounds the Federation sustained during the recent Borg crisis (Destiny). Captain Riker must balance his responsibility for his crew's safety against protecting...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
