PUBLIC SCHOOL PENMANSHIP: A HANDBOOK FOR TEACHERS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Public School Penmanship: A Handbook for Teachers It is probable that most teachers understand less about the fundamental principles of chirography than they do about any other study in the grade curriculum. Because of this lack of knowledge the majority of the public school profession realize their inability to teach writing properly. They will correctly give it as the most important reason why the class-room penmanship is no better. This book has a triple purpose: first, to unfold enough of the theory of penmanship to educate any one in that part of the subject; secondly, to suggest what to teach in penmanship; and thirdly, to explain how penmanship should be taught in public schools. Were it not for the explanation of the theory the book would be of small assistance. It is of little use to repeat what should be done to teach writing unless at the same time the teacher acquires a better preparation for her work. To this end, therefore, the instruction here given is definite, progressive, and constructive. The last part of the book contains a suggestive course of study in public school penmanship. As stated in that chapter, for various reasons no arbitrary plan can be followed with the greatest success. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
