Resident's Guide to Clinical Psychiatry

By Lauren B. Marangell

American Psychiatric Publishing. Paperback. Book Condition: new. BRAND NEW, Resident's Guide to Clinical Psychiatry, Lauren B. Marangell, The resident's job is as challenging as it is critical to patient care, and perhaps no specialty is as daunting to the beginning clinician as psychiatry. This book is designed to provide the tools residents need to quickly assess and competently treat patients with psychiatric illnesses and those with secondary psychiatric symptoms. Though comprehensive, the guide is also concise, compact, and practical. Differential diagnosis is made easier with the inclusion of diagnostic evaluation checklists and DSM-IV-TR criteria, and treatment interventions are described in detail, with accompanying drug dosage tables and comparison charts. The book begins -- just as the doctor-patient interaction commences -- with the assessment interview. Subsequent chapters focus on the classes of mental illness, such as anxiety disorders, personality disorders, and psychotic disorders. In each chapter, Dr. Lauren B. Marangell, lead author of Concise Guide to Psychopharmacology and an expert on the psychopharmacology of mood disorders, succeeds in distilling the most current and essential diagnostic and treatment information residents need to maintain a high quality of care. The book's many features maximize convenience while achieving full coverage: * Both the entire...
