LOS ANGELES. PORTRAIT OF A CITY

To download **Los Angeles. Portrait of a City** eBook, remember to follow the web link below and download the file or gain access to other information which are have conjunction with LOS ANGELES. PORTRAIT OF A CITY ebook.

Taschen GmbH. Paperback. Book Condition: new. BRAND NEW, Los Angeles. Portrait of a City, Jim Heimann, Rise and sprawl: how Los Angeles came to be. This is a pictorial history of the City of Angels. From the first known photograph taken in Los Angeles to its most recent sweeping vistas, this photographic tribute to the City of Angels provides a fascinating journey through the city's cultural, political, industrial, and sociological history. It traces the city's development from the 1880s' real estate boom, through the early days of Hollywood and the urban sprawl of the late 20th century, right up to the present day, showing L.A. is emerging from a desert wasteland to become a vast palm-studded urban metropolis. This book depicts Los Angeles in all its glory and grit, via hundreds of freshly discovered images including those of Julius Shulman, Garry Winogrand, William Claxton and many other superb photographers, culled from major historical archives, museums, private collectors, and universities.
