Have you been so busy coping up with your current lifestyle that you tend to have no more time for breakfast and you just skip it? Well I m here to tell you that skipping breakfast may not be an advantage for you and you will probably pay the consequences sooner than you think. For the meantime you might feel that nothing is wrong and that may be healthy but you are really not. However, not skipping breakfast may not be as good as you think also. Are you fond of eating grains and other related stuff for the morning? You might be sur-prised that oatmeal and the like are actually not good for you. This is where Breakfast Paleo diet comes in. This book will be your comprehensive guide towards discovering the wonders of Paleo diet and how it stands out among all other diets out there. This is the only type of diet that delivers what it promised! This book will also make you understand about the importance of eating breakfast and never skipping it at all. The reason behind why you should eat breakfast like a king, lunch like a commoner, and dinner like a beggar will also be tackled. You will first be introduced to the definition and the what of Paleo diet, how it s good for you, and its importance to your life. The first chapter alone will make you realize that Paleo diet is the most significant diet in the modern...
