

## Thank Your Wicked Parents: Blessings from a Difficult Childhood (Hardback)

---

By Richard Bach

Rainbow Ridge Publishing, United States, 2013. Hardback. Book Condition: New. 130 x 117 mm. Language: English . Brand New Book. Thank Your Wicked Parents has at its core a shocking but undeniable truth: Some parents are wicked and repeatedly lash their helpless children with abuse and humiliation. Other parents, while not intentionally malicious, nevertheless fail to provide their family with the loving kindness that they need and deserve. But the author also offers a positive message: While uncaring, cruel parents can't change the long history of their abuse, grown-up children should not only let the misery of the past go, but also learn from the lessons that their parents unintentionally taught them through their actions. In other words, the pain of the past can be transformed into blessings. A unique book, Thank Your Wicked Parents is intended to offend abusive parents and, more important, to provide their adult children with a new perspective on the past and a path to a far brighter future.
