Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, An Area of Darkness: His Discovery of India, V. S. Naipaul, THE FIRST BOOK IN V.S. NAIPAUL'S ACCLAIMED INDIAN TRILOGY -- WITH A NEW PREFACE BY THE AUTHOR An Area of Darkness is V. S. Naipaul's semi-autobiographical account -- at once painful and hilarious, but always thoughtful and considered -- of his first visit to India, the land of his forebears. He was twenty-nine years old; he stayed for a year. From the moment of his inauspicious arrival in Prohibition-dry Bombay, bearing whisky and cheap brandy, he experienced a cultural estrangement from the subcontinent. It became for him a land of myths, an area of darkness closing up behind him as he travelled. The experience was not a pleasant one, but the pain the author suffered was creative rather than numbing, and engendered a masterful work of literature that provides a revelation both of India and of himself: a displaced person who paradoxically possesses a stronger sense of place than almost anyone. 'Brilliant' Observer 'His narrative skill is spectacular. One returns with pleasure to the slow hand-in-hand revelations of both India and himself' The Times.
