Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What is art photography? First of all sorry for my english , I am persian !! I have to say this is really a question that is not so easy to answer There are examples of photos that have been made completely without claiming to be art and that are traded as such, Pictures, of which not even the photographer is known. It is very important that the photographer for himself has an idea of Art Photos , and even if he goes with his camera out, hoping for a good photo, but he has a frame operation for his work When I come home with many photos, begins the work, which means I ask myself: Is this an art photo and fit my working frame Operation?? What are my personal works frames Operation?? Details, people movement, creativity, conscious action, willing to take random image The question I ask myself is: Could it be that viewers would regret it if they had not seen this or it would not matter to them ?? if they regret it , then the image belongs to my book. It is also since the beginning of the art always a bone of contention what art is. The Answers have unlimited space for interpretations. I think also in terms of art are photos like music and painting! Some like it and others do not! As with the music! What varied and exciting makes the whole thing so well! And always looking for something to watch again! Perhaps art is to produce the conscious application of creative imagination and craft skills to aesthetic objects such as picture or sculpture. Conscious means...
