BLOOD ENGINES

Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reissue. 173 x 107 mm. Language: English . Brand New Book. Meet Marla Mason-smart, saucy, slightly wicked witch of the East Coast. Sorcerer Marla Mason, small-time guardian of the city of Felpot, has a big problem. A rival is preparing a powerful spell that could end Marla s life-and, even worse, wreck her city. Marla s only chance of survival is to boost her powers with the Cornerstone, a magical artifact hidden somewhere in San Francisco. But when she arrives there, Marla finds that the quest isn t going to be quite as cut-and-dried as she expected.and that some of the people she needs to talk to are dead. It seems that San Francisco s top sorcerers are having troubles of their own-a mysterious assailant has the city s magical community in a panic, and the local talent is being (gruesomely) picked off one by one. With her partner-in-crime, Rondeau, Marla is soon racing against time through San Francisco s alien streets, dodging poisonous frogs, murderous hummingbirds, cannibals, and a nasty vibe from the local witchery, who suspect that Marla herself may be behind the recent murders. And if Marla doesn t figure out who is killing the city s finest in time, she ll be in danger of becoming a magical statistic herself.
