Robbie Williams is an international superstar with a multi-million pound record deal. He is indisputably the nation s favourite celebrity and the king of pop. With a new single, Tripping and the new album Intensive Care adding to the long list of bestselling records, Robbie is set to once again be top of the pops. From humble beginnings in Stoke-on-Trent, Robbie achieved overnight success when he joined the hugely popular boy band Take That. After several amazing years, the band were torn apart by intense rivalry and Robbie has gone on to become an entertainer in his own right. With past troubles with drink and drugs and a string of ill-fated high-profile relationships with female stars such as Geri Halliwell, Nicole Appleton and Rachel Hunter, Robbie still remains an intriguing character. This book is a revealing insight into the life of this massive star.
