

## Textbook of Diabetes: A Clinical Approach (Hardback)

By -

John Wiley and Sons Ltd, United Kingdom, 2010. Hardback. Book Condition: New. 4th Revised edition. 282 x 226 mm. Language: English . Brand New Book. Over three editions the Textbook of Diabetes has built a reputation as a book that is extremely well-organized and easy to navigate, with exceptional illustrations and an excellent blend of clinical and scientific content. Previously edited by John Pickup and Gareth Williams this fourth edition has four brand new editors from across the globe. The editors have assembled an outstanding set of international contributors who provide insight on new developments in diabetes care and information on the latest treatment modalities used around the world. The new Textbook of Diabetes has been restructured into 12 parts in one accessible volume and is designed with the busy diabetes care team in mind. As well as retaining the elements that have made it such a popular brand, such as the outstanding full colour illustrations and text design, the new edition sees even greater emphasis on the clinical aspects of diabetes, with new chapters on managing patients with diabetes, the treatment of diabetes, and the delivery and organization of diabetes care, including: \* Non-insulin parenteral therapies \* New technologies...
