Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

CASINO ROYALE (2006 FILM)

Alphascript Publishing Nov 2009, 2009. Taschenbuch. Book Condition: Neu. 220x150x9 mm. Neuware - Casino Royale (2006) is the twenty-first film in the James Bond series; it was directed by Martin Campbell and the first to star Daniel Craig as MI6 agent James Bond. Based on the 1953 novel of the same name by Ian Fleming, it was adapted by screenwriters Neal Purvis, Robert Wade, and Paul Haggis. It is the third screen adaptation of the Casino Royale novel, which was previously produced as a 1954 television episode and a 1967 satirical film. The film is set at the beginning of James Bond's career as Agent 007, just as he is earning his license to kill. After preventing a terrorist attack at Miami International Airport, Bond falls for Vesper Lynd, the treasury agent assigned to provide the money he needs to foil a high-stakes poker tournament organised by Le Chiffre. The film's story arc continues in the 22nd James Bond film, Quantum of Solace. The 2006 film is the only EON Productions adaptation of Fleming's novel. It is a reboot of the Bond franchise, establishing a new timeline and narrative framework not meant to be preceded by (or serve as a prequel to) any previous film. 148 pp. Englisch.
