Yearning for what theyd left behind and disillusioned by city living, Jack Ferguson and Harry Turner leave Perth to return to the rough opal mining environment of Coober Pedy, on the edge of the Stuart Ranges in South Australia. They discover, however, that all is not as idyllic as they remembered. They face harsh conditions, personal trials, and a lack of funds. But determination, hard work and a little luck see them begin to establish themselves until circumstances deal a shattering blow that forces them to consider lifes priorities. Weighing up their options they decide to leave Coober Pedy and with nothing more than a vague plan and the support of the vivacious and spirited Naomi Wilson, they saddle up their stock horses and head for the Northern Territoryand an uncertain future. But then a chance discovery presents them with an opportunity that will change the course of their lives for ever. Beyond Tomorrow, the sequel to Tony McKenna s bestselling Jack and Harry, is a heart-warming journey of courage and daring packed with outback adventure, colourful characters, surprises, romance, drama, and humora truly Australian novel.
