Accountability Office, 2008 OCLC Number: (OCoLC)278802860 Subject: Privacy, Right of -- United States. Excerpt: . . . Additionally, two of HHSs key advisory groups continued to develop and provide recommendations to the Secretary of HHS for addressing privacy issues and concerns: The Confidentiality, Privacy, and Security Workgroup was formed in 2006 by the American Health Information Community to focus specifically on these issues and has submitted recommendations to the community that address privacy principles. Among these are recommendations related to the notice principle that the workgroup submitted in February and April 2008. These recommendations stated that health information exchange organizations should provide patients, via the Web or another means, information in plain language on how these organizations use and disclose health information, their privacy policies and practices, and how they safeguard patient or consumer information. The work group also submitted recommendations related to the administrative requirements principle, stating that the obligation to provide individual rights and a notice of privacy practices under HIPAA should remain with the health care provider or plan that has an established, independent relationship with a patient, not with the health information exchange. The National Committee on Vital and Health Statistics, established in 1949, advises the Secretary of HHS on issues including the implementation of health IT standards and safeguards for protecting the privacy of personal 19 health information. The committees recent recommendations related to HHSs health IT initiatives addressed, among others, the uses and disclosures principle. For example, in February 2008, the National Committee submitted five recommendations to the Secretary that support an individuals right to control the disclosure of certain sensitive health information for the purposes of treatment. . .
